

FIG. 1 is a perspective view of a refrigerator 34 with its door 42 open. The refrigerator interior includes a main compartment 36 and a lower compartment 44. A shelf assembly 30 is shown in a partially extended position. The shelf assembly includes a shelf 38 and a support structure 40. The shelf 38 is supported by a bracket 86 and a support arm 88. The support arm 88 is connected to a track 106. The track 106 is mounted to the side wall 108 of the main compartment 36. The shelf assembly 30 is also shown in a retracted position, indicated by a dashed line 208. The door 42 has a handle 46 and a hinge 48. The refrigerator 34 is shown with a control panel 208 on the left side.
